1. The HOZ has been approved. There will be a meeting April 8 for the EPC to Review the HOZ. If they approve it will go to the City Council. Gordon will check with Ed Boles about what we need to do and make sure the comments on the rules which were made by the neighborhood will be incorporated into the document going forward. Gordon will also send it to Mary Ellen Hennesy and call/email her to confirm receipt.
2. Janet Saiers contacted Gordon to say that the Historic Society supports the HOZ. She also wanted SHNA to have a walking tour of the neighborhood in September 2010.
  - a. A task group headed by Ellen Kline and including Elizabeth Doak and Richard Braziel was formed to develop a scope of work, budget, and schedule. Elizabeth will get an expert historic preservation speaker & Richard will donate a round trip airline ticket to fly the speaker to ABQ. The initial concept is to combine a seminar with a walking tour which would include several open houses.
3. Legislative leaders, Jerry Ortiz y Pino, Gail Chasey reached out to ask if we have any issues or needs.
4. Gordon passed around the city publication called Neighborhood News.
5. Alley behind between silver & gold between Yale & University cleaned by Community Custody Detail Program. We can call 311 and report it to zoning and they will get the property owners to clean it up. They will come every month if we have an area that needs to be cleaned.

7. Alliance for Historic Landscape Preservation. Institutional membership allows 3 attendees at the meeting being held in Alb. Elizabeth wrote abstract and it was accepted. She will be presenting. Alb Sheraton April 21-24. Notify legislators now so they give us \$\$,
8. The design of reforestation of the north/south streets in Silver Hill Neighborhood between Central and Lead and from Yale and Sycamore will be presented by MRW at the regular SHNA Board Meeting 4/12/10 at 7:00 PM. This will be taking the place of the April Board meeting. Craig Wallace will make up the flyers which will be placed on the residences which boarder the north/south streets. Doug Lopez will identify non-resident owners and contact information for notification.
9. House for Sale 1810 Silver has been listed for sale. This is a small historic house with 4 sleeping rooms (No Kitchens) in back. Now is the time to address any zoning issues if they exist. The listing will be pulled and we will try to find out about this property. The goal is to ensure whoever buys this property will be informed of its zoning status.
10. SHNA will write a letter to our Legislators to support development and implementation of a process whereby we can add additional properties to the historic registers. Doug Lopez will draft.
